## Town Council April Meeting

### Propane Gas Distribution System Is Authorized

At the regular council meeting Monday evening, April 9, a by-law was given second and third readings and passed, granting Central Gas Utilities Ltd. (formerly Mid-Way Propane Co.) permission to install an underground system in Vulcan for the distribution of propane gas.

The company does not hold a franchise and the town assumes no obligation in any form. It is understood that the company will proceed with the project in the very near future.

#### Assessor Appointed

Council was advised that the Department had approved of the appointment of J. L. Findlay as assessor for the town for the year 1951.

#### Grants

The following grants were authorized: Comfort Station, \$300; Library Board, \$10 per month; Swimming Pool, \$150.

#### Building Permit

A building permit was granted H. E. King to move garage to new location on lot and add 16x24 addition, cost \$300.

#### Scout Hall

Authorization was given the Scout Group to erect a Scout hall on Block "A" Lot 23, back of curling rink.

#### Liquor Vendor

A letter was received from the Alberta Liquor Control Board acknowledging receipt of the council's resolution requesting that a Government Liquor vendor store be established in Vulcan.

The letter stated that the matter was being considered by the Board, but that some objections to the establishment of such a store had been registered with the Board.

The matter was discussed by the council and the secretary was instructed to write Rev. Peter Dawson, M.L.A., and ask him to attend the May meeting of the council for the purpose of discussing this matter further.

#### Drill More Wells

It was decided that the Town would drill two more wells, to be financed by a loan under the Self Liquidating Projects Act. The town's third well is now being hooked on to the system with a temporary pump, as delivery of the ordered pump is not expected until June.

#### Order Meters

It was decided to order an additional 150 water meters.

### Great Increase In Use of Electricity In This Province

Last year Calgary Power Ltd. added over 6,000 farm and other customers to its system. In addition to the many Rural Electrification Associations which were connected, service was extended to 29 towns, villages and hamlets as follows:

Barrhead, Dickson, Haynes, Joffre, Manola, Millerville, Patricia, Rosyth, Spruce View, Turin, Kingman, Markerville, Millicent, Fibrox, Silver Springs, Soudra Vauxhall, Cremona, Duhamel, Iron Springs, Maden, Meeting Creek, Namaka, Old Townsite—Rocky Mt. House, Tilley, Villeneuve.

There was great activity in the oil fields in 1950. Total applications to date for oil well pumping installations now number 879 wells. Over one-half of these are now connected. In the Leduc and Redwater fields applications have been received for 46 pipeline jumping installations. Practically all of these are connected and receiving service.

In order to pick up new load and strengthen the Company's supply in the southern part of the province, 120 miles of 138,000 Volt, double pole transmission line was constructed between the Barrier plant south of Camrose and Bellevue. In addition, 55 miles of 22,000 Volt line was constructed between the following points: Brooks to Tilley; Westlock to Barrhead; and Olds to Sundre.

A heavy program of work was carried out on the Spray Lakes hydro power project during 1950 and the three plants under development—Three Sisters, Spray, and Rundle plants will be brought into operation before the fall of 1951.

During the past year, the Company spent on plant additions, sub-

stations, transmission lines, distribution systems, betterments, etc. Nine and one half million dollars. As of December 31st, 1950, the Company has invested in its power system in Alberta 46 millions of dollars.

#### Work Program 1951

F. Mannix and Poole Construction Companies are now moving equipment into the Spray to complete the hydro development for Calgary Power's three new plants—Three Sisters, the Spray, and Rundle. Fred Mannix and Co. will be engaged in drilling a 12 ft. x 12 ft. bypass tunnel, 1250 ft. long, through rock. They will also construct the canal to Rundle plant.

Poole Construction Company will be engaged on the completing of the job of concrete lining the Spray plant's pressure tunnel. They will also be engaged in completing the Rundle plant's power house.

Work is proceeding on the extension of the Kananaskis plant to add another 12,000 H.P. of generating capacity. The work is proceeding now with the expectation of completion of the work in May, 1951.

Mr. Sherman, Vice President and General Manager of Calgary Power Ltd., announced that work is proceeding on the new 132,000 Volt line to Edmonton. This line with substations and switching equipment, will cost approximately \$1,500,000.

Again this year, Calgary Power has a large construction program of other primary and secondary lines underway, including rural electrification. There are now nearly 12,000 farms receiving central station service in the province and of this number Calgary Power is serving 9,200. It is expected that between 2,500 and 3,000 new farm services will be added to the system in 1951.

It appears as though Alberta is leading the way as Canada's fastest growing province. While the power consumption for all of Canada for the ten-year period 1939-1949 increased just over 1½ times, Alberta's power consumption for the same period increased just over 3½ times. In other words, Calgary Power customers consumed 143,000,000 Kilowatt hours in 1939 and this was increased to 537,000,000 Kilowatt hours in 1949. Figures for Canada are not available for 1950 as yet, but the same rate of increase is apparent for 1950 for Calgary Power.

#### NO SALES TAX FOR ALBERTA

The Alberta Government has no present intention of levying a three percent indirect sales tax if this power is granted Canadian provinces.

Attorney-General Lucien May-

## Calgary Speakers Are Heard

### Vimy Ridge Commemorated At Canadian Legion Smoker

D. W. Morgan, senior veterans' welfare officer of the department of veterans affairs in Southern Alberta, was the main speaker at the annual Vimy Ridge reunion held Monday night. Other guests were D. E. Fraser, executive secretary of the provincial command of the Legion in Alberta, and J. H. Appleton a member of the provincial secretary's department of the Alberta government. Major Wyn Lasher of Mossleigh led community singing.

Mr. Morgan said that at Vimy the Canadian Corps as such first went into action and from then Canada was recognized as a leading influence in world affairs. Canada had 11,297 casualties in one week at Vimy Ridge, which was a major contribution for a country of its population.

Mr. Morgan in his speech warned younger veterans that they should remain on the alert to prevent the spread of Communism in Canada in which they would lose all that had been gained by fighting the First and Second Great Wars. Those wars were fought, he said, to maintain our system of life, a free country and democracy.

Visitors were present from Milo, Queenstown, High River and other points.

## Former Resident Dies at Calgary

A Vulcan resident, for seven years before moving to Calgary, Mrs. Gertrude Mitchell died April 9 at her city home.

Funeral services were conducted today, Thursday, by Rev. Dr. Murdoch McKinnon in Gooder Bros. funeral home and burial was made in the family plot, Union cemetery.

Mrs. Mitchell was born in Philadelphia, Penn. and moved to Orillia, Ont. in 1900. In 1912 she went to Vulcan and seven years later moved to Calgary. She was a member of the American women's club the overseas club and Wesley United Church.

Surviving are two daughters, Mrs. Lionel H. Morrison of Calgary and Mrs. Rod Henselwood of New Westminster, B.C.; four grandchildren; a brother L. C. Jackson of Calgary; and three sisters, Mrs. Ernest Colbeck of Victoria, Mrs. Mervin Conner of Honolulu and Mrs. Grace Trussler of Kirkland Lake, Ont. Her husband Arthur died in Calgary in 1919.

## Film Showing On Monday

The Vulcan Area Film Council now offer several services to local and district people. A block of films is kept at Vulcan at all times by the National Film Board. These films are available at any time desired. A projectionist and equipment will be furnished whenever you wish to use the films. This block of films is kept at the United Church Manse. Further information may be had by contacting Mr. Rollis or Mr. Coleman.

The National Film Board are now sending two circuits of films. An industrial circuit is now coming to Vulcan. The first of these dealt with safe auto driving, and the importance of proper instruction to young people.

The regular monthly circuit is continuing. The films for April will be here on April 16, 17 and 18. A public showing of these will be held in the Legion Hall on Monday, April 16, and all residents of Vulcan are urged to attend.

This is an important government service, available to the Vulcan district, which should be appreciated and used to a greater degree.

nard made this statement in an interview after the provincial legislature approved in principle amendments to the British North America Act covering old-age pensions and empowering provinces to enter the indirect tax field. The amendments would pave the way for Federal pensions to all those over 70 without a means test and joint Dominion-Provincial pensions with a means test for the 65-69 age group.

## Over 75 Ladies Present

### Legion Auxiliaries Holds Annual Zone Rally Here

Attended by members from Macleod, Pincher Creek, Claresholm, Bellevue, Milo-Queenstown, as well as Vulcan, and provincial officers, the second District Zone Rally of the Canadian Legion Ladies Auxiliary was held in the I. O. O. F. hall here, Wednesday, April 11.

Some 75 ladies were present, when the meeting was called to order by Mrs. A. Sales, president of the local branch, and the Col. or Party escorted Mrs. Margaret Dexter, Provincial Secretary, Mrs. Lydia Phillips, District Commander, and branch presidents to their places. Mrs. Ellen Faggeter, Past Provincial President was then brought forward.

Following the opening ritual and the singing of O Canada, Mrs. Sales, on behalf of the Vulcan branch, welcomed the visitors and introduced the honored guests. She expressed her pleasure at the fine turnout and then called upon Major C. R. Robson, Past President of the local Legion branch. Major Robson extended greetings to the ladies from the Legion and urged them all to take a keen interest in present world conditions, especially as pertains to the need for preparedness, in the event of another world conflict, and always to remember the disabled veterans and the men on active service.

Mrs. Faggeter, Mrs. Dexter and Mrs. Phillips were presented with rose emblems by the hostess branch, after which the meeting was turned over to the Zone Commander, who conducted the session. She explained that the purpose of the rallies was to acquaint the different branches with the work being done in other towns, and to gain new ideas and to give members a chance to get to know each other. She then called upon the representative from each branch present to give a brief report on the activities of their Auxiliary, which showed some really splendid work being done.

Mrs. Faggeter, guest speaker for the occasion, gave a short resume of the efforts of the Calgary branch, and complimented the rural branches on their fine contributions to the needs of hospitalized veterans and other worthy projects.

The question period was presided over by Mrs. Dexter, who answered several questions having to do with by-laws and regulations, as well as other pertinent topics.

During the recess a short program was presented consisting of: Two beautifully rendered vocal solos by Mrs. Lillian Lancaster, ably accompanied on the piano by Mrs. C. Andrews; a short singing period in which all participated was followed by a very clever monologue given by Mrs. Juanita Grove.

At the conclusion of the afternoon's business and the closing ceremonies, all repaired to the dining hall, where a delicious cold supper was served by the refreshment committee. The tables were tastefully arranged and decorated by bouquets of spring flowers. An invitation from the Claresholm branch to hold the rally in their town next year was graciously accepted.

Successful business advertising.

## Loss Estimated at \$100,000

### Lomond Business Section Destroyed By Fire

An estimated \$100,000 damage was caused at Lomond early Monday morning when flames destroyed the main business section of the village, wiping out a general store, a grocery, a hardware store, a cafe and a billiard hall. Occupants of the razed buildings were warned in time to escape, although some lost all personal belongings.

According to Miss E. Bell, Lomond telephone operator, the alarm was first given by six-year-old Bobby Fraser, son of Mr. and Mrs. Alex Fraser. The boy was sleeping in his room almost a block from the Canadian Cafe, where the fire started, when he smelled the smoke coming in the open window and woke his parents. Mr. Fraser went out to locate the fire while Mrs. Fraser called the telephone operator. Miss Bell immediately began calling village and country residents and before long a bucket brigade of more than 100 persons was formed, with water being hauled from nearby sloughs.

The fire fighters were directed by R.C.M.P. Constable Gordon Hacking of Lomond and Corporal Jack Hurst of Vulcan. The bucket brigade and the town's only fire-fighting equipment, a chemical wagon, were used successfully in preventing the spread of the fire to a lumber yard, the Pool elevator and the post office, with flames started by sparks from the timber-dry burning buildings being quickly smothered.

Fortunately, only a light wind was blowing at the time, and this factor saved most of the town from going up in flames. Untouched by the fire were the Commercial Hotel, the I.O.O.F. Hall, the Community Hall and garages and machine agencies.

Destroyed were: Lomond General Store, owned and operated by Sam Croissant, value \$18,000.

Red & White Store, owned by Phil and Reg Frost, value \$15,000.

Lomond Hardware Store, operated by E. G. Rainey, value \$15,000.

Canadian Cafe and Grocery, operated by S. H. Joe, value \$15,000, and storehouse, value \$2,000.

Pool hall and barber shop, operated by Harrison Caulfield, value \$6,000.

It is understood that only one or two of these business places carried full insurance, the others carrying partial insurance. It is expected that rebuilding will begin immediately.

About 15 persons were left homeless by the blaze, but all have been given shelter by Lomond friends.

Members of the Vulcan Red Cross disaster committee visited the hard-hit town on Monday and offered the help of their organization. Rev. E. A. Justice, vice-president of the local Red Cross branch, headed the group, which included Rev. O. H. Rollis, Mrs. W. S. Hill and Mrs. A. G. Saxby, all of Vulcan. They arranged for a supply of canned milk for the use of babies on formulae to be sent from Vulcan and stocked at the Lomond Post Office and will give any other emergency aid needed.

Frost Bros., owners of the destroyed Red & White store, have already brought in a stock of groceries from Lethbridge and Calgary and have set up a temporary store in the I.O.O.F. hall to supply the needs of local residents. All grocery stores in the town were completely destroyed by the fire.

This is the second time in less than a year that Lomond has been hit by fire, a \$40,000 blaze completely destroying the Lomond Service Garage last fall.

## Will Address H.S.A. Meeting

The Assistant Commissioner of the Alberta Division, Canadian Red Cross Society, will be the guest speaker at the Home and School meeting to be held in the school auditorium on Tuesday, April 17, at 8 p.m.

Included on the program will be vocal selections by Mrs. L. Lancaster and an educational film.

Lunch will be served and the meeting is open to the public.

## Early Copy, Please!

The Advocate's increased circulation means longer press runs, and increases in advertising and the amount of district news now being carried mean additional last-minute work for the type-setting machine.

In order to maintain our usual schedule of having the complete issue in the mails every Thursday afternoon, we must ask our advertisers to have their ad copy in the office or ready to be picked up not later than 5 p.m. on Tuesdays. The deadline for news and classifieds will continue to be noon on Wednesdays, but correspondents and others are asked to have their copy in on Monday if possible or Tuesday at the latest.

The co-operation of all concerned will be greatly appreciated and will do much to help us publish a bigger and better paper.

## Red Cross Fund Over The Top

Vulcan and district has gone over the top in its 1951 Canadian Red Cross Society campaign for funds. Quota for this area was set at \$1,500.00.

In announcing the total contributions received, P. A. Thomson, campaign manager, said "I wish to thank the citizens of Vulcan and district who have, once more, given so generously to the Society's annual campaign. I also wish to thank the canvassers who have so ably carried on the work of collections in the various parts of the District."

"The funds that have been contributed will allow the Society not only to carry on its peacetime services, but also to provide blood and blood products for Canada's armed forces."

"These funds will also assist in keeping up the new Alberta Red Cross Crippled Children's Hospital which is of benefit to children from all over the province, Peace River Block and the North West Territories."

The provincial Red Cross quota this year was set at \$400,000, with additional \$100,000 added to support the hospital. However, the Canadian Red Cross is planning on spending nearly \$600,000 in Alberta during 1951.

## Will Reside In Saskatchewan

A far-well surprise party was held recently at the home of Mr. and Mrs. Howard Foster in honor of Mr. and Mrs. Pierre Bourassa, who left Vulcan to reside at Radville, Sask. Dancing was enjoyed and a lovely lunch was served by the hostess.

Again, honoring Mr. and Mrs. Bourassa, a social evening was held last Friday in St. Andrew's parish hall. After lunch, the presentation of a lamp was made to the guests of honor by Rev. Father Ritter on behalf of their many friends.

Mr. Bourassa has been in partnership with Jim Shortt in the garage business here, and will operate a similar business in Radville. Mr. Shortt will carry on the business here under the name of Shortt's Garage.

## Track Meet To Be Held In May

The regular meeting of the Vulcan Sub-local A.T.A. of Vulcan County was held in the school library on Monday, April 9.

Teachers from Vulcan, Champion and Kikicahby were present. E. H. Kumbin gave his report on the annual general meeting held in Edmonton Easter week.

The annual track meet was discussed and it was decided to hold it in May.

Lunch was served by the Vulcan teachers.

### Lomond Hard Hit By Fire

The destructive fire at Lomond Monday morning, with the loss of the town's grocery stores, hardware, cafe and pool room, is a major calamity to a centre that size. Lomond residents are not strangers in Vulcan—they make full use of the business facilities here that they do not have in their own town—and Vulcan residents sympathize with them in the heavy blow that has struck at their progressive little community.

But we know the Lomond people. We know their spirit. They have taken hard knocks before and come up fighting and we predict they will come up fighting this time. Out of the ashes of their fire-consumed business section will arise new and better stores, for Lomond is the trading and social centre of a good-sized district.

The citizens of Vulcan and other communities in this area extend their sympathy to the citizens of Lomond. We know they will rebuild and have a better town than ever before, and we wish them the best of luck in their efforts.

## District News

### ARROWWOOD

The members of the Brethren Church are busy this week cleaning and re-painting the interior of their church.

We are sorry to hear that Mrs. A. L. Phillips is a patient in the Holy Cross hospital. We wish her a speedy recovery.

The Ray Helms have moved to the Amos Inghram house on Main street, formerly occupied by E. Beacom.

Amos Inghram is a patient in the Vulcan hospital.

Mr. and Mrs. C. Christie (nee Evelyn Ekland) are the proud parents of a baby girl born on April 1st.

Mrs. R. F. Williams attended the Cancer Society Convention in Calgary on March 30 and 31.

The Community is greatly grieved to hear of the death of A. E. Starling, who has been a farmer in this district for many years.

Mrs. Peterson is visiting her daughter Mrs. Ray Helm.

Bob Beacom who was formerly working at the Revelstoke, has now taken a job with Mr. Lasher of Mossleigh on his farm.

The W.A. ladies of the United Church met at the home of Mrs. V. Benson on March 28. They held a small auction sale which netted them in the vicinity of \$18. A very delicious lunch was served by Mrs. C. Curtis and Mrs. F. C. House.

The Cancer film "Breast Cancer and Self Examination" recently shown in the Capital theatre in Calgary, is to be shown in Arrowwood in the near future, please watch for notices.

A banquet enjoyed by 100 F.W.U.A. and F.U.A. members was held in the hall on the evening of March 31. The hall and tables were beautifully decorated honoring St. Patrick. The guest speakers were: Niel Mowatt, from Parkland, Director of District 12; P. Berger, Junior director, Polinter, President of District 12 from Pincher Creek. Other items on the program consisted of Community singing led by G. Buriss with S. King at the piano. Mrs. Amos Inghram then gave two delightful Irish readings. Norman DeWitt, Harold DeWitt and Ronald Hayes gave a musical number on the saxophones and piano. Then G. Buriss gave a delightful vocal solo. The Junior members

helped in the kitchen and did the serving.

Mr. and Mrs. Carl Pederson are going to hold an auction sale on April 12th to dispose of their household and farm equipment.

The shipment of 120 dozen eggs to the Red Cross Hospital in Calgary for Crippled Children left Arrowwood by C.P.R. on March 29. This gift is annually sponsored by the F.W.U.A. and supported by the egg producers of Arrowwood and district.

Amos Inghram returned home April 5 from Vulcan hospital much improved in health.

Mrs. Allen Phillips is in Calgary hospital.

The Happy Gang and their children met at the home of Mrs. Sandra McDermitt, April 4, to honor Mrs. Paul Jones of Shoultice on her birthday. Mrs. Jones received many lovely gifts.

Clarence Norton is graduating from the Berean Bible College in Calgary and expects to enter the Christian ministry.

There is a home building boom on in Arrowwood; many new houses are to be built this summer.

Mr. and Mrs. Kemper returned to their farm the first week in April after spending the winter south of the border.

All roads are in good condition now.

C. Arney and P. Bowers have gone into the chicken business on a large scale. Their first shipment of baby chicks of 1000 arrived in March and are doing exceedingly well.

All cattle and hogs wintered well and are in excellent health after a long winter.

Williams Brothers have sold their service station in Shoultice.

**QUEENSTOWN**  
The United Church Ladies Aid held their monthly meeting in the Legion hall (Thursday, March 29). A "Eve" was planned, to clean the church and repaint the fence, on Thursday, 19th of this month. All members are asked to be present. Other church functions were planned, and will be mentioned in this column at a later date.

Mr. and Mrs. W.F. Mallett have returned home after a month's visit with their daughter, Mrs. Lorne Cunningham, who has been spending the winter in Acme, and has now returned to her home in Vegreville.

Mr. Bushell took to the air with his plane yesterday and flew to

Henry back to the Cluny Dormitory, and brought back Mrs. Clark. Mr. Clark did not think a plane could find a dry spot to land on so left Cluny in the morning by car, and after considerable trouble finally reached here.

Andy Laid and Don Yulle spent the better part of two days with their tractors, filling in a wash-out in the road north east of town; caused by the irrigation ditch overflowing; now enabling the farmers who were isolated to get to town.

### MOSSLEIGH

Mr. and Mrs. Lindberg and family returned home on March 29 after spending the Easter holidays in Edmonton and Hay Lakes, visiting relatives and friends. Mr. Lindberg also attended the A.T.A. convention as a delegate from the Foothills division.

Mrs. E. Cameron is visiting her brother and sister-in-law, Mr. and Mrs. Jack Bain, before going on to her home at Taber. She has been spending the winter in Montreal and reports lots of snow and ideal skiing conditions in Quebec but says she prefers the wide open spaces in Alberta.

Mr. and Mrs. J. Leslie, Mrs. E. Rogers and two daughters, were all Calgary visitors on Thursday.

We are glad to see little Elsie Leslie back home after spending two months in the Vulcan hospital with rheumatic fever.

Mr. and Mrs. Paul Randle are spending a month's holiday in California and various other points in the States.

Mr. and Mrs. C. Ballard spent a very enjoyable Easter week in Calgary. They were accompanied by David and Betty.

**MAJORVILLE**  
We extend a welcome to Mr. and Mrs. Leslie Greaves who have arrived to make their home on what is known locally as the Groff place. Leslie served with the Air Force during World War II and after his discharge made his home in Vancouver.

Mr. and Mrs. Ray Fernley were Sunday visitors at the home of Mr. and Mrs. Alf Heather.

Mr. and Mrs. Lloyd Jacobson and baby daughter of Enchant visited with Mrs. Jacobson's parents, Mr. and Mrs. Geo. Heather, recently.

East Majorville school is now back on a regular schedule for the first week since the big blow. Mountains of snow, then the spring thaw with its resultant mud holes and wash outs made it impossible to get the students to school. Some of the students have to walk, as there is no van service for this school.

Geo. Graves, accompanied by his grandson Sammy Greaves was a visitor from Calgary lately at the home of his son-in-law and daughter, Mr. and Mrs. Harvey Fuller.

The March meeting of the F.W.U.A. was postponed due to bad roads but will be held on the regular April date at the home of Mrs. Bob Monner.

Mr. Wellman and Mrs. Scott drove to Calgary to attend the funeral of the late Mrs. Julia H. O'Tott whose death was announced from Polson, Mont. Mrs. O'Tott made her home in Majorville for many years before, retiring with her husband the late Olaf O'Tott to Queenstown and later Calgary.

## The Last Chance To Buy Registered Seed

By H. G. L. Strange

A small sum of money spent on Registered seed is considered to be by far the most profitable investment any farmer can make. Registered seed is quite scarce, and so earlier than a crop produced from ordinary seed. Registered seed has been found by experiment also to be higher yielding. Because of this truthness-to-variety and evenness of maturity Registered seed produces almost always a higher grade. This year Registered seed is quite scarce. Seeding is not far away. Now, then, is about the last chance for farmers to order Registered seed to ensure delivery before seeding time.

This valuable material is on sale and can be procured by any Elevator Agent or any Grain Company.

The 1950 frost unfortunately has damaged the appearance of our Registered seed and some of it even grades down to No. 3. Farmers, however, can rest assured that in spite of this poor appearance quality and germination are unimpaired.

She moved to Montana last fall, when she suffered a stroke a few weeks ago.

A rider at the L. K. ranch, Geo. Turner suffered severe leg injuries when kicked by a horse and was taken to Bassano hospital.

Mr. and Mrs. Hap Heather are moving from the Roy O'Leary house and will take up residence south of Queenstown.

The history of the slot machine—today's "one-armed bandit"—goes back to 200 B.C., when the ancient Egyptians had them in primitive form.

It is believed England's first organized Christmas festival was

held in York in 521 A.D., on order of King Arthur.

Oil and gas transmission lines can be built over mountain tops, but skirting them means cheaper construction, cheaper gas and easier and more dependable maintenance.

## flat on one's face

"Know-how" is a popular phrase in these times—the western nations' industrial know-how is said to be their greatest hope. But it is not enough to know how to do a job. Doing it is what counts. Between knowing and doing there are usually a surprising number of opportunities for falling flat on one's face.

The textile industry in Canada, of which Dominion Textile is a part, has been practising for over a century to avoid falling flat on its face. While learning its job and doing it, the industry has become the largest employer of manufacturing labor in Canada and the payer of the largest manufacturing wage bill.

# FORD WINS!

**FIRST in Class "A" MOBILGAS ECONOMY RUN**

COMPETING AGAINST ALL CARS IN ITS PRICE CLASS  
**1951 FORD V-8**  
WITH OVERDRIVE  
**WON FIRST PLACE**

Through city traffic, desert heat and over towering mountains, the Ford V-8 equipped with Overdrive and featuring Automatic Mileage Maker, saved gas every mile.

## GRUELLING 840-MILE COMPETITION

Proves what owners say about **FORD ECONOMY**

THE WINNERS—photographed with the "A" Cup Award.

FORD OVERDRIVE... optional at extra cost... pays for itself in gas savings. It lets the engine "loaf" while the car hustles! Gives you smoother, quieter performance... and reduces engine wear.

Everywhere in Canada, owners of the new Ford V-8 are enthusiastically reporting optional savings on gasoline. Now, in the famous annual Mobilgas Economy Run, traditional Ford economy has been proved in open competition. There is no tougher test than this gruelling 840-mile grind. Competing against all cars in its price field, the new Ford equipped with Overdrive took first place in Class "A"!

Why not prove Ford economy for yourself? See your Ford Dealer and "Test-Drive" the Economy Winner! There's no better way to be convinced that "You can pay more but you can't buy better."

**The Famous Ford V-8 100 Hp. Engine**  
... owner-proved ... road-proved  
... tops in economy in its class!

The ASA Contest Board determines the winner by a "ten-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ten miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons of gasoline consumed.

### North Priscilla Club

Thirteen members of the North Priscilla Club met with Mrs. Caspar Untinen on Wednesday afternoon. Due to bad roads and the blizzards this is the first meeting since February. Roll call was answered by giving a favorite superstition. Mrs. Untinen received her baking from Mrs. G. H. Nelson in place of the raffle. Letters of acknowledgement were received from the Junior Red Cross and The March of Dimes. Ten dollars was voted as a donation to the Cancer Fund. Mrs. Watson thanked the members for the flowers received while in the hospital and also for the silver cup given to her baby son. It was decided not to hold a bake sale at the present time since there was no shortage of funds in the treasury.

The next meeting will be held at the home of Mrs. Edith Church on April 18. The hostess then served a delicious lunch assisted by Mrs. Ross and Mrs. Hurnanen.

### O.E.S. Meeting

Mrs. Margaret C. Bell of Husar, Alta., Worthy Grand Matron of the Grand Chapter of Alberta O.E.S. paid her official visit to the Heather Chapter No. 51, O.E.S. on Wednesday, April 4. A banquet was held in the Grange dining room at 6 o'clock.

Many visitors from Champion, Vulcan, Claresholm and Calgary attended the evening meeting.

### Explorer's Group

The Explorer's Group was organized with Audrey Burns as chief councillor and Jean Miller her assistant.

Twenty two girls joined the group between the ages of nine and 12. They will be affiliated with the W.A.

They met in the Home Ec Room at school where following meetings will be held twice a month on Friday afternoons from 4 p.m. to 6 p.m. The project for this year is "Exploring the Home" in which they will make a model home, furnish it, do some cooking and sewing.

### Junior Grain Club

The regular meeting of the Junior Grain club will be held on Friday, April 13, at 8 p.m. in the Town Office. Special speakers for the meeting will be Mr. Hugh Michael, District Agriculturist from Claresholm and Mr. Wagler, Wheat Pool field man of Lethbridge.

All members are asked to be present, and anyone interested is cordially invited.

### Home and School

Members of the Home and School met on Tuesday evening at the school with about 35 present. The meeting opened with the singing of "O Canada" with Mrs. Kay Lyckman at the piano. The president Mrs. K. R. Miller opened the meeting. Letters of thanks were read from the Girl's Basketball team and from the Students Union for donations made to them from the Home and School, to assist in their projects.

The secretary-treasurer gave a report on the card party held recently at which \$19 was cleared.

J. Hurnanen and Mr. K. R. Miller offered to see that the playground equipment was made available to the pupils at the earliest date.

Mrs. Lyckman reported on film to be shown by the Red Cross in the Community Hall on Wednesday evening, April 11.

Mrs. Alec MacMillan and Mrs. Mack Baldwin were chosen as delegates to the Home and School convention to be held in Edmonton in May.

D. H. Russell, Educational Representative for the County gave a report on the first meeting held at the County Seat at Vulcan.

The Track meet which is to be held on May 25 was discussed and will be held at Carmangay, if groups in town would assist with the venture.

Resolutions which were to be discussed were held over until the next meeting, when a large representation of members would be appreciated.

The group then was served lunch in the Home Ec room by mothers of the pupils of Grade II and III.

### Plainfield F.U.A.

The monthly F.U.A. meeting of the Plainfield group was held on Friday evening at the home of Mr. and Mrs. Alec MacMillan with 12 members and four visitors present.

They decided to submit Irl Miller's name as candidate for the Young People's week, held at Edmonton. These names will be drawn for at Calgary.

A five dollar donation was sent in aid of the Young People's

Week. Mr. D. H. Russell reviewed the book of the life of Henry Wise Wood, which was enjoyed by all. The next meeting in June will be at the home of Mr. and Mrs. John Ness. A dainty lunch followed.

### Bowville Pioneer Passes

An old-timer of the Bowville district, Niri Sorensen, died in the Carmangay hospital, March 30, at the age of 91.

Mr. Sorensen was born in Norway in 1859 and came to Canada in that year and had lived there since. He retired in 1930.

He is survived by his widow, Mrs. Theresa Sorensen, who lives at Barons; one nephew, Mr. Gus Greene of Carmangay, and a niece Mrs. Lars Brandvold of Calgary.

Funeral services were held on Tuesday afternoon from Christensen Bros. Chapel, at 2:30 p.m. with Rev. Tibbet officiating.

Interment in the family plot, Mountain View Cemetery.

### H. & S. CARD PARTY

An enjoyable evening was spent last Wednesday, April 4, when the Champion Home and School Association held a Court Whist party in the school, under the convener-ship of Mrs. E. Fraser, Mrs. J. C. Anderson and Mrs. E. Nowlin.

Twelve tables were in play and those winning prizes were: High score, Mrs. Glen Racher and Elwood Granlin; Low score: Mrs. J. Mark and Glen Racher.

A tasty lunch, contributed to by several ladies, was served at the end of play.

### POST NUPITAL SHOWER

The home of Mrs. G. E. Stewart Jr. was the scene of a post nuptial shower, Thursday evening, April 5th, when a group of local ladies banded together, as hostesses, to honor Mrs. R. J. Pieschel of Calgary, nee Enid Davies whose marriage was solemnized in Calgary last month.

Green and white streamers were used effectively for decorations. Games and contests were enjoyed during the evening.

Two tiny tots, Sharon Stewart and Wanda Fisher, were bearers of a large colorfully decorated Easter basket filled with gifts. Mrs. Alvin Bjornson, on behalf of the ladies assembled, presented the gifts to the honored guest with suitable remarks, to which Mrs. Pieschel responded fittingly. Assisting in opening the parcels were the bride's mother and sister, Mrs. R. Davies and Mrs. Earl Smith, respectively.

A dainty lunch was served by the hostesses at the evening's close.

### I.O.D.E.

Lael Chapter I.O.D.E. held their monthly meeting at the home of Mrs. W. A. Keenan Tuesday evening April 3. The Regent, Mrs. M. M. Bakken, presided and there were 15 members present.

Following the business meeting, which was general, the monthly raffle was drawn for and won by Mrs. Bakken. Mrs. Raymond Fath donated the prize.

The members were informed that the canvass for donations to that the canvass for donations to now under way and each member is responsible for collecting in designated districts. It is hoped that anyone who has not been approached by a canvasser will kindly contact Mrs. George Moses, the convener, and leave their donations with her, which will be gratefully received.

Mrs. Larry Hagg assisted Mrs. Keenan in serving a delicious lunch at the close of the meeting.

#### Crumb Cake Supreme

2½ cups general purpose flour

1 tsp. cinnamon

1 tsp. nutmeg

¼ tsp. salt

2 cups brown sugar

½ cup shortening

Cut in the above ingredients, with a pastry blender and reserve ½ cup of crumbs. Add: ½ cup chopped nuts and ½ cup chopped dates. Add 1 egg (unbeaten) and 1 cup sour milk with 1 tsp. baking soda dissolved in it.

Put in greased 8" square pan, or 8x10 pan, sprinkle the reserved crumbs on top and bake in a 375 degrees oven for about 40 minutes.

celebration of their 25th (silver) wedding Sunday, three days prior to the actual date of the anniversary.

A delicious turkey dinner party was enjoyed by members of the family and friends. Covers were laid for 32.

Among the relatives present from out of town were: Mr. and Mrs. Ronald Gerlitz of Midnapore, Mr. and Mrs. John Goodman, Mr. and Mrs. Eddie Repp and small son Garry of Calgary.

Mr. and Mrs. Lebsack were the recipients of numerous gifts of silver from family and friends to mark the occasion.

### BRIDAL SHOWER

A group of town and district ladies were hostesses at a pre-nuptial bridal shower, Saturday, April 7th, in the banquet room of the Community hall, complimentary to a native daughter of Champion, Miss Audrey Harris, whose marriage to Fred Cartwright is a coming event of Saturday, April 14th, in Calgary.

Cut flowers in silver baskets and decorations in the spring colors were used attractively throughout the room. Huge single artificial tulips, arranged as standards, formed a wide aisle to the artificially and colorful decorated bride's chair. Eight former schoolmates, Misses Aileen Beaulier, Caroline Howg, Ruth Stewart, Joan Patterson, Elaine Granlin, Janice Buchan, Elaine Groves and Mrs. G. Ellis, dressed in leaf green frocks, carrying real tulips and singing "Tiptoe Through the Tulips" marched in and out between the tall tulips and finally standing as guards of honor back of each standard. The wall that formed the background at the rear of the bride's throne was colorfully adorned with lopped streamers and clusters of roses, a gilt basket of multi hued flowers, when tipped, showered Miss Harris with confetti.

The room was filled to capacity with friends present to honor the popular member of the younger set of the community. One hundred and forty five ladies signed the guest book and flash light pictures were taken of the event.

Miss Ruth Stewart and Joan Patterson entertained with a tap dance and Mrs. J. Sanderson presented two humorous songs, especially arranged for the occasion, in her inimitable manner. Mrs. E. Rhodes and Mrs. A. L. Siler were pianists.

Little Colleen Coe and Larry Coe, cousins of the bride elect, drew in a beautifully decorated wagon containing a huge gift box in front of which sat Kathy Matlock in a bed of flowers. The tots were artistic creations of Blue Bird costumes, a symbol of happiness. The gifts were presented in song, to the guest of honor, by the eight young ladies. Assisting Audrey in opening the numerous lovely gifts were her mother, Mrs. W. I. Harris, the mother of the groom elect, Mrs. G. H. Cartwright of Calgary, and Mrs. Ed Coe, grandmother of the bride elect and Miss Elaine Granlin. Miss Harris thanked her hostesses and all who had honored her with sincere words of appreciation.

Delicious refreshments were served by the hostesses to bring the happy event to a close.

Continuing the round of functions complimentary to Miss Harris, Miss Elaine Granlin, assisted by her mother Mrs. Elwood Granlin, entertained at their home, Sunday afternoon, when a number of former schoolmates of the bride elect assembled to honor her. Cut spring blossoms made chery decorations for the enjoyable afternoon which was spent reminiscing and many were the happy events recalled to memory. Miss Gloria Fraser entertained with pleasing piano selections.

A shoulder corsage of bridal white carnations was pinned on the frock of the honored guest by Miss Granlin who then presented a beautifully decorated Easter basket in which was concealed an attractive electric kitchen wall clock, and daintily wrapped ingredients, measured, complete with the required number of eggs and recipe, to make a cake. Words

of good wishes were expressed for the future happiness of Audrey by Miss Granlin on behalf of all present, to which Miss Harris replied fittingly.

A delicious lunch was served by Mrs. Granlin and Miss Elaine at the close of the afternoon.

Two former schoolmates from out of town, former residents of Champion, were present in the persons of Misses Patricia Watts and Shirley Villet of Pincher Creek.

### CARD OF THANKS
